CONFIDENCE

# THE CONFIDENCE TO **SOUND GREAT**

Training for professionals adapted from the world of voiceover – how to demand attention, connect and persuade using only the voice.

## ABOUT US!

**Claire Fry** is a veteran voice actor who believes that the essentials of voiceover training – the Four Pillars of quality, connection, authenticity and storytelling – should be taught to everyone in every profession where communication matters. Since launching Vocal Confidence she has taught those techniques to clients and teams at multiple Fortune 500 companies, Stanford University, and around the globe.
